Join in the fun of karaoke

The U3A Box Hill Karaoke Singing Group in action.

A CHINESE singing group from Box Hill has been delighting Whitehorse audiences with their fun and energetic performances.

The Chinese Karaoke Entertainment Group was made up of members from U3A Box Hill who met last year and began singing as a way of entertaining themselves.

Group member Albert Ip said they were soon asked to perform for elderly Chinese residents at gatherings and nursing homes.

"In June 2016, we started performing in Chinese elders' gathering organised by Chinese Community Social Services Centre as many of the members volunteer there as well," Mr Ip said.

"We had 12 performances in 2016 and in 2017 we already have 8 performances."

The group has added several English songs to its set list, including *It's A Small World*, *Country Road* and *Que Sera Sera*, and the audience was welcome to jump up on stage and join in.

This year was the 25th anniversary of U3A Box Hill
